# WE PRODUCE ONLY CHOCOLATE

## *Bean to Bar*

Chocolate For Family is committed to becoming the benchmark in the artisan chocolate industry, combining the art of tradition with innovation and sustainability.

Our vision is to create a unique and unforgettable experience for every customer, offering the highest quality chocolate that embodies the values of authenticity, transparency and respect for the environment.

We want to be recognized not only for our excellent products, but also for our commitment to promoting a conscious and sustainable chocolate culture.

Chocolate For Family's mission is to produce the highest quality artisan chocolate using only natural, fresh and sustainable ingredients.

All processing steps from cocoa bean to bar (BEAN TO BAR) take place in our laboratory, in a transparent and artisanal manner.

We are dedicated to creating products that not only meet but exceed our customers' expectations, turning every taste into a moment of pure pleasure.

We are committed to educating our consumers about the benefits and origins of chocolate, promoting informed consumption.

Our mission is also to support local communities and promote fair trade practices, contributing to a more just and sustainable future.

# WHO

We have been professionals, for over twenty years, in the world of confectionery, chocolate making; we specialize in Bean to Bar chocolate production (from cocoa bean to bar).

# WHAT

Our artisanal production cycle guarantees careful selection at the origin of the cocoa beans, which are then processed with total respect for the raw material, managing to preserve and enhance the natural aromatic notes contained, to always guarantee an unforgettable taste experience.

# HOW

## **Familiarity**

Passion, expertise, professionalism make “family” a great opportunity to be experienced and shared with employees and partners.

## **Sustainable quality**

Ethical and environmental responsibility are the values that guide our daily activities and on which the development of our products is based.

## **Innovation**

Ensuring better and better products and services through the continuous search for excellent raw materials that reflect our values.

# WHY

**CLAN**  
CIOCCOLATO DI LIGNAGGIO

Imagine a journey to discover your roots, an experience that takes you to discover your clan of belonging within our exclusive lineage chocolate. Every bite is a step toward superior quality chocolate, the result of carefully selecting the finest cocoa beans.

For us, quality chocolate starts right in the field, where we work closely with the families who grow these precious beans, binding our clan to theirs in a chain of respect and passion that extends all the way to you.

Each piece of chocolate is the result of a shared commitment, where our connection to the farming communities is as strong as the one we want to create between you and your family. This chocolate is meant to be shared with those you love, whatever your family is, because true lineage is not just about blood, but about tradition, passion, and sharing.

Join us on this sweet and meaningful adventure, where every bite tells a story, uniting the shared roots of our growers with your own. Experience the quality and authenticity of a chocolate that speaks of deep bonds, common roots and the joy of being together.
